Phil Jacombs	Community member

Council Staff

Beth Lawsen	Deputy General Manager, People Place and Infrastructure
Rosemary Callaghan	Office Manager, Civic & Urban Services

TO THE MAYOR AND COUNCILLORS OF THE COUNCIL

The **Public Domains Advisory Committee** met on Wednesday 16 April 2014, to consider the matters referred to it and now provides the following advice to Council.

OPEN	The meeting commenced at 5.30pm
ITEM 1	APOLOGIES AND LEAVE OF ABSENCE Clr Cathy Griffin, Kyeema Doyle

ACTION

ITEM 2 DECLARATIONS OF INTEREST

Nil

ITEM 3 CONFIRMATION OF MINUTES OF 19 FEBRUARY 2014

Minutes of 19 February 2014 confirmed

ITEM 4 SHORT STREET PLAZA

The Committee discussed the lighting in the laneway between Short Street Plaza and Whistler Street. They were advised that the ball lighting is remaining as recommended. The paving in the new section is recommended to be expanded along to the adjoining streets, Whistler and Raglan Streets.

Recommendation:

- The Committee recommended to the General Manager to extend the paving the same as the paving recently laid in Short Street Plaza through to Whistler Street and Raglan Street.

GM

ITEM 5 ANDREW BOY CHARLTON SWIM CENTRE

Recommendation:

- The Committee recommended to the General Manager that a briefing of both DA 261/13 and DA 177/13 be held as soon as possible.

GM

A council officer was invited to explain the plans for the Andrew Boy Charlton redevelopment and the Water Polo pool to the Public Domains Committee.

A meeting was requested be arranged for 5.30pm Wednesday 30 April 2014 in the Cove Room, Manly Council. A Notice of Meeting was distributed to the Public Domains Committee and all Councillors on Wednesday 23 April 2014.

ITEM 6 LITTLE MANLY RESERVE

The Committee endorsed the Little Manly Reserve working party meeting minutes of 04 March 2014 and 11 March, 2014.

The notes of the working party site visit to Little Manly Reserve of 11 March 2014 were tabled at the Public Domains Committee meeting of 16 April 2014 and the committee worked through each item.

Recommendation:

- The Committee recommended to the General Manager that a landscape architect be appointed to modify plans to prepare concepts to include the recommendations of the Committee.
- Include Vision and Objectives of a large green open community space. The items as noted in the table below reports the committees' recommendations as were drawn from working party meetings, and confirmed for recommendation at the meeting of 16 April 2014. These items as tabled below are drawn from both designs, Manyo and McGregor Coxall.
- Council to request Manyo Design to prepare a concept design for Little Manly Reserve including 34 and 36 Stuart Street. Including a fee proposal and timeframe referencing the list of items agreed and as per Council Resolution 33/14 Ordinary Meeting 10 March 2014 Item 7.

GM

LITTLE MANLY RESERVE Site Meeting – comments recorded 16 April, 2014 Public Domains comments endorsed	RECOMMENDATION
ITEM 1 No 34 Stuart Street cottage is to remain at existing level. Any raising of the height of the cottage was not supported. Noted and agreed by Public Domains Committee.	Upgrade cottage for community use
ITEM 2 Readdress the Council Resolution 196/13 Ordinary Meeting 11 November 2013 to consider moving the operations of MEC (Manly Environment Centre) to 34 Stuart Street. Discussion followed that: MEC costs \$70K pa to lease, so could reduce lease costs by using this site.	Council to maximise the community use of the property at 34 Stuart Street
ITEM 3 Extend the decking around 34 Stuart Street to provide for expanded deck space for outdoor meetings, classrooms and visits. This could be achieved by extending the deck towards the Stuart Street entrance/pathway.	Agreed. Supported for feasibility and planning, taking into consideration the heritage factor of the building
ITEM 4 Dinghy storage to be placed along the length of boundary fence between 36 & 38 Stuart Street Manly. Dinghies to stand upright. Consider and plan for a platform / cage to house kayaks.	Agreed. Kayaks storage to be at the rear of 36 adjoining 34 in a shelved/grid arrangement – in planning Agreed, Diagonal access bitumen pathway across rear to 36 to 38 gate to be reviewed for removal (survey attached)
ITEM 5 Fence between 34 and 36 Stuart Street to be confirmed via survey lines for boundary (survey attached). Traffic Engineer asked to consider configuration of traffic / uses of Craig Avenue boat ramp, wheelchair, parking and pedestrian ingress and egress along pathway (report awaited).	Further investigate the bitumen pathway across Stuart Street boundary on 36 and to 38 Stuart Street For follow up and response
ITEM 6 Investigate removal of Right of Way on property titles No. 36 and 38 Stuart Street.	Discuss with the General Legal Counsel for process
ITEM 7 Footpath at corner Craig Avenue and Stuart Street to be installed to connect to existing.	for planning
ITEM 8 Determine wheelchair access into property of 34 Stuart Street property from Craig Avenue level.	for planning
ITEM 9 Proposed beachfront boardwalk front boundary / beach of 38 Stuart Street to be level with the existing concrete sea wall at level to provide disabled access to food kiosk from Stuart Street.	for planning

ITEM 10 Boardwalk wall not to be terraced (no steps were supported for plan).	for planning
ITEM 11 Boardwalk from memorial area to Little Manly Reserve beach to commence at Craig Avenue and cross the beachfront on the existing concrete blocks with additional width, created by utilising one (1) metre of the grassed verge of reserve.	for planning
ITEM 12 Include BBQ's installation at rear of reserve nearest to 40 Stuart Street.	Not supported - BBQ installation
ITEM 13 Provide a landscaping plan for area and with items in front of kiosk eg. light pole, bins, steps, garden.	for planning
ITEM 14 Remove power pole at steps to beach, replace power to adjacent pole at rear of kiosk.	for planning
ITEM 15 Place large lighting fixture (spotlight for pool) onto adjoining property eg. kiosk or electricity substation or adjacent power pole.	for planning
ITEM 16 Disabled access into reserve to traverse front of 40 Stuart Street with minimum impact on trees.	for planning
ITEM 17 Investigate the integrity / stability of the existing concrete sea wall for use by additional width for boardwalk.	Report to be provided
ITEM 18 Determine if the electricity substation at Little Manly Reserve is actively serving the area.	Report to be provided
ITEM 19 Determine if a kiosk style electricity substation would be possible for the area, to reduce and reuse the existing housing.	Report to be provided
ITEM 20 Ask Ausgrid what is the life of the electricity substation.	Report is awaited

SEA WALL ALONG THE BEACH FRONT - LITTLE MANLY	INFORMATION REQUESTED for next Committee meeting 18 June 2014
ITEM 21 Do the sea wall plans exist in Council's archives? If so, can they be provided for review?	
ITEM 22 If the seawall is stable, can Council include the boardwalk in the Little Manly Reserve plans?	
ITEM 23 Could the boardwalk be built independent of the sea wall?	

ITEM 7 FAIRLIGHT BEACH PUBLIC AMENITIES UPGRADE

Report received and noted.

ITEM 8 SOUTH STEYNE

The Committee was updated on the status of items for South Steyne including:

- Clothes pegs
- Seats
- Awning
- Bike racks

GM

Recommendations:

- The Committee recommended to the General Manager that the clothes pegs on the wall to be the same patina as the wall sculpture, so that the pegs integrate within the wave effect of the sculpture.

GM

- The Committee recommended to the General Manager that the bench seating in the plans be reduced to two (2) from four (4) and that they be located in one (1) area only.

GM

- The Committee recommended to the General Manager that the folding arm awning ***not be included*** in the design as the awning would affect the pine tree.

GM

The Committee believe the awning is not required as the clothes pegs are covered by the eaves of the surf club building.

- The Committee recommended to the General Manager that the bike racks plans be adopted for installation.

GM

	• The Committee recommended to the General Manager to remove the Sulo bins around the Norfolk Island pine tree located near the South Steyne surf club and the food kiosk as the bins do not fit in with the area and are unsightly. • Review a proper bin area that can be movable to accommodate boat storage when surf carnivals are happening, if necessary. • Locate new bin area closer to bike racks, shower and bench seats so everything is in the one location.	GM <i>Referred to Waste Manager for response</i>
ITEM 9	PUBLIC DOMAINS COMMITTEE VACANCY Recommendation: • The Committee received the appointment of Mr Nicholas Vale as approved by the General Manager under the Terms of Reference to fill the vacancy on the committee membership. • Further, the Committee recommended that another person could be appointed from the expressions of interest received when the vacancy was advertised. • That David Howe also is appointed to the Committee.	GM
ITEM 10	GENERAL BUSINESS BROUGHT TO THE ATTENTION OF THE CHAIR PRIOR TO THE MEETING AND APPROVED FOR CONSIDERATION Recommendation: • The Committee recommended to the General Manager to provide a report update on the Norfolk Island Pines Recommendation: • The Committee recommended to the General Manager to provide a report on the condition of grassed areas of the beachfront. • Review heavy traffic walking areas, rotation of sections to be barricaded off to allow grass to recover. • Install garden hoops to stop people trampling the garden beds. Request council to use more aesthetically appealing <i>'temporary orange barriers'</i> when works are being done in this high profile site along the beachfront.	GM <i>Referred to Parks Manager for response</i> GM <i>Referred to Parks Manager for response</i>

Recommendation:

- The Committee recommended to the General Manager to remove the Hurley Open of Surfing event promotional material from the drinking fountains.

GM*Referred to
General
Projects
Manager for
action***Recommendation:**

- The Committee recommended to the General Manager to review the maintenance of the water fountains as at some locations the water pressure is poor, in particular the water fountain near North Steyne Surf Club and at Seaforth hub.

GM*Referred to
Facilities
Manager for
action***Recommendation:**

- The Committee recommended to the General Manager to review the direction of the spray head in the maintenance of the automated water sprinklers along the beachfront. The sprinklers operate at night at approximately 12.00am-2.00am. Some of the sprinklers water the pathways or the parking meters instead of the grassed areas.

GM*Referred to
Parks
Manager for
action***Recommendation:**

- The Committee recommended to the General Manager that better access to plans for major capital projects eg. Raglan Street and Short Street Plaza is facilitated for the Committee.
- The Committee read out the Terms of Reference.
- The Committee suggested that a table or matrix be made available showing the major capital projects.

GM**Recommendation:**

- The Committee recommended to the General Manager that one (1) co-opted landscape architect attend the bi-monthly Public Domains Committee meetings as referred to in the Terms of Reference.

GM**NEXT MEETING DATE:**

Date: Wednesday 18 June 2014
Time: 5.30pm
Venue: Councillors Room, Manly Town Hall
1 Belgrave Street, Manly

Meeting closed at 7.35pm

NOTES OF MEETING

PUBLIC DOMAINS ADVISORY COMMITTEE – WORKING GROUP

HELD 30 APRIL 2014

Members of the Public Domains Working Group on 30 April 2014 to consider the matters referred to it. Notes of the discussions held are contained here. The items listed on the Agenda for this meeting will be included on the Agenda for the next scheduled meeting on 18 June 2014.

PRESENT:

Councillors

Apologies

Mayor Clr Jean Hay
Clr Barbara Aird (Chairperson)
Clr Alan Le Surf
Clr Adele Heasman
Nick Vale (newly appointed member)

SUMMARY

The working party meeting was called for the Public Domains Committee to view the approved development plans for the Andrew Boy Charlton Swim Centre redevelopment and for the Development Approval for the Andrew Boy Charlton Water Polo pool.

Mr Stephen Clements provided full sets of DA approved plans for review and provided information in regard to both approvals as was requested by the Public Domains Committee. Following discussions with the committee members, the committee made recommendations.

Recommendations were made by the Public Domains Committee working party.

RECOMMENDATION

That the General Manager consider the advice provided by the working party on DA 177/13 and DA 261/13:

REPORT

Andrew Boy Charlton Swim Centre DA 177/13

Recommendations were made by the working party to the General Manager as follows:

1. That an expanded locker provision could be made / included by building lockers into / along the internal wall / façade towards the storage room.
2. That bicycle racks / storage for patrons use to be included at the site.
3. Those non-reflective materials for the surfaces are applied on the western façade (to LM Graham Reserve).
4. That landscaping be considered for shade provision along the western façade by trees which remain in leaf (non deciduous).
5. That the 2015/16 and 2016/17 Council draft budgets consider and prepare to allocate funding for the rehabilitation of the existing (current) amenities blocks for uses and for future landscaping on the centre.
6. That the northern façade (the section of blank wall at crèche, facing Kenneth Road) is treated with windows / or to provide outside access for children from the internal play area / to terrace to an outside garden.
7. That clarification is provided to the committee on the size and height of the folding glass walls and length of panels. Confirm that all panels can be opened in the new centre.
8. That opening windows are located along the southern façade (Balgowlah Road), located high along this section, (eg. frosted glass / obscure glass / downward opening louvers), providing privacy, light, to open to permit heat accumulation / ventilation to benefit this area.
9. That screen planting is provided to obscure the view into the centre eg. clear glass with planting along the southern boundary (Balgowlah Road) or that the perimeter wall along the southern boundary (Balgowlah Road) is increased in height to a minimum of 2 meters for privacy into the centre.
10. That the leisure pool is reduced in size on the (Balgowlah Road side) by removal of the dongle section (described as the rounded southern end of pool) to ensure that a pinch point is not created between the pool end and the entry to spa and sauna – the intention (by end removal) is to create a wider concourse surrounding the pool.
11. That a flat roof at the end of section southern end (Balgowlah Road) is considered above the leisure pool.
12. Request that the plan of internal section of the roof be provided to the Committee, to be advised on how the heat and noise / sound from internal pool is to be treated.
13. That within the internal section of the new facility sound attenuation / treatment to be

installed to reduce echo inside the centre.

14. That the architectural linking of visual connection and integration is considered by architects to draw the existing site buildings to the adjoining new centre.
15. That palettes, visual exterior surfaces / materials are provided to the Public Domains Committee for review and to advise on the relativity between the proposed building and to LM Graham Reserve.

Water Polo Pool DA 261/13

Recommendations were made by the working party to the General Manager as follows:

1. That surrounding the Water Polo pool, noise attenuation planting is implemented.
2. That a review of the length of the wall surrounding the Water Polo pool on Balgowlah and Kenneth Roads takes place, to improve the visual landscape by including plantings.
3. Consider the exact location of the pool, by moving the pool structure towards the southern side to Balgowlah Road – by deletion of the existing minor buildings and kiosk and associated minor structures. Therefore providing this area as increased area to move the pool south by metres, thus providing a wider area for landscaping along the Kenneth Road frontage for screening and noise reduction.

RECOMMENDATION

That the Public Domains Committee notes of the meeting are received by the Committee.

NEXT MEETING DATE:

Date: Wednesday 18 June 2014

Time: 5.30pm

Venue: Councillors' Room

This discussion closed at 7:45pm

TO: Public Domains Advisory Committee
MEETING DATE: Wednesday 18 June 2014
AUTHOR: Beth Lawsen
SUBJECT: Seaforth Tafe – BUPA DA54/2014

SUMMARY

A presentation of the Development Application no. 54/2014 will be provided to the Committee by Mr. Stephen Clements. This set of plans will be tabled on the night of the meeting.

RECOMMENDATION

That the Committee receive and note this report.

AUTHOR: Beth Lawsen

SUBJECT: Fairlight Beach Public Amenities - Upgrade

SUMMARY

Council called for quotations for the construction of the Fairlight Beach Public Amenities upgrade. Three quotations were received from construction firms on the Council's approved list of builders.

These quotations exceeded the available amount provided in Council's budget. The approved design has been referred to the Council's Building Designer for modification and streamlining of the amenities upgrade to achieve same design in principle with project cost closer to the budget. The committee will be advised of these modifications.

RECOMMENDATION

That the Committee note the information provided.

SUBJECT: Little Manly Reserve – Landscaping Group

SUMMARY

RESOLVED: 65/14 Ordinary Meeting 12 May 2014

To refer Little Manly Reserve, Landscaping Group, to the next Public Domains Advisory Committee meeting for comment and consideration in relation to auspicings the following, when the landscape plan is approved.

- The formation of a volunteer group to work on the landscaping of the Little Manly Reserve to Council's approved landscaping plan (when this is completed); and
- Placement of advertisements in the local press seeking interested volunteers;
- The group is to be incorporated in association (insured) with its own committee of management, auspiced and supported by Council in a similar fashion to Council's Bushcare Volunteers or Community Precinct Forums.

RECOMMENDATION

Action on this item will be taken once the landscape plan has been approved by Council.

That the Public Domains Committee receives and notes this information.

AUTHOR: Beth Lawsen

SUBJECT: South Steyne – Upgrade – Wall Pegs, Seating, Bike Racks, Awning and Bins

SUMMARY

The committee made recommendation to the General Manager on 16 April 2014.

Wall pegs – the wall pegs will be installed in August. Council recommends stainless steel in this environment and is aware of the request of the Committee for a patina finish. Council is advised that the patina finish recommended by the Committee will wear off the pegs in this environment and therefore is not a suitable solution.

Seating - 2 bench seats will be installed in August. Location is in close proximity to the shower and adjacent to the bike racks.

Bike racks – the bike racks have been installed and accommodate 20 bikes.

Awning - the installation of the awning was not supported by the Committee.

Bin management - Council's Waste Manager is reviewing the current location of bins and is determining the most suitable location for managing bins within proximity to the kiosk and their storage as well as access for waste collection.

RECOMMENDATION

That the Committee endorse this report.

SUBJECT: Norfolk Island Pines – East Esplanade

SUMMARY

Along East Esplanade there are several gaps in the Norfolk Island Pine original grid formation. Two (2) trees at the eastern end opposite Ashburner Street were poisoned. There are two (2) other locations to the west that are gaps in the grid formation.

One (1) tree at the eastern end of the Esplanade was removed and replaced January 2014.

Planting of the remaining replacement trees commences the second week of August.

Additionally, one (1) Ficus Rubiginosa on the eastern end of the Esplanade will be removed and replaced in this same time frame.

RECOMMENDATION

The committee recommend to the General Manager and Council that the proposed replacement locations set out in the aerial location map be endorsed, and implementation of the replacement trees be carried out in August 2014.

SUBJECT: Little Manly Reserve – Progression Table

SUMMARY Progress:

Council resolved on 11/11/13 inter alia;

- Review and give consideration to the Manyo Design scheme for Little Manly as presented by Mr Jeremy Hodges as Stage 1 of the project in terms of points 1 and 2 above.

Council resolved on 9/12/13 inter alia:

- f) to prepare the cost of the Manyo Scheme and refer the matter back to the Public Domains Committee.

4th March 2014, Working Party meeting was held to review the original brief and to identify elements of design, costs, staged development of plan.

- Attachment Notes of Working Party 4/3/14.

10th March 2014, Council resolved 33/14 that in part;

- Public Domains Committee to meet as soon as practicable to review both Manyo and McGregor Coxall submissions.

- **11th March 2014, Working Party meeting** was held and reaffirmed the Vision of a large green open space with appropriate plantings, managed craft storage facilities and access for all. A site visit was held.

- Attachment Notes of Working Party site visit 11/3/14.

- **16th April 2014 Public Domains Committee meeting**, review identified a List of items 1 to 22 recommended.

Attachment Notes of Public Domains Committee meeting.

SUBJECT: General Business Responses from meeting dated 16 April 2014

SUMMARY

Norfolk Island Pines – see report.

Ocean Beach front – water sprinklers, Council has requested its contractors to inspect and remedy the matter in accordance with the request. This action has been completed.

Ocean Beach front - grassed areas, Contractors were contacted and will start improvements at Shelly Beach by oversowing grass with grass seed and then move to progressively address the Ocean Beach front reserve.

Use of orange mesh safety barriers is primarily used where there is an obligation to the community, when there is an unsafe area and high visibility is required. Ocean Beach areas where the grass is re sown or being rested, poles and light rope is used to contain the area from foot traffic.

Drinking fountains - promotional material is progressively being removed from the facility by Council and replacement message installed.

Drinking fountains – water pressure

Council has previously received advice from Sydney Water in relation to water pressure in the Manly area. KPA of 300 (low) and 1200 (high) to the Manly Council area. Sydney Water is aware of the fluctuations in the Manly area and has been for some time. To better manage the fluctuations in water pressure at these facilities, Council has commenced changing the current time flow taps to standard spindle taps to manage the water flow and provide flow options for users.

RECOMMENDATION

That the Committee receives and notes this report.
