General Business

Banners advertising surf club events need to be authorized to display on Council property

Next Meeting

Date : 21 July 2015

Time : 8am

Venue: Manly Councillor's Room

**NORTH STEYNE SLSC
SURF CLUB LIAISON REPORT
MAY 2015**

Apologies but due to being sick, I am an apology this morning.

Season Wrap-Up: North Steyne would like to thank Manly Council and Manly Lifeguards for their assistance and support of the Club throughout the 2014/15 lifesaving season. North Steyne SLSC was lucky enough to be honoured with the Raising of the Flags ceremony which Council supported. I would like to specifically mention Mayor Jean Hay for her continued support and also to Vicki Smith for her clarity and fast pace at which jobs get completed.

I would also like to take this opportunity of thanking our neighbours, Manly Lifesaving Club and Queenscliff Surf Life Saving Club for their support of North Steyne throughout the season.

ANZAC Day Ceremony: I would like to congratulate Manly Council on a hugely successful ANZAC Day 11am Service. Thank you for giving the 3 Clubs (and others) the opportunity to bring ideas to the table and to be able to participate in the Ceremony in such a big way.

Parking: We have had a Director who has been fined for parking. This Director had displayed his parking permit on the dash of the car. The Director was booked on Sunday 26th April, last day of patrol and it was a very rainy and miserable day. The Director has requested this fine be cancelled as a permit was displayed. During our telephone conversation you mentioned that you would be looking into the process of drive by detectors and our permits. If you could please let me know the process by which these work, it would be appreciated.

Our current parking permits (12 allocated to NSSLSC) have not yet been processed. Would you know when these might be available for collection from Council as our Secretary's enquiries through Council has not had any success in locating the 2015/16 permits.

Building Issues: In the recent storms, North Steyne was lucky to only have had damage to 2 rollers doors. A lot of sand and sea water washed through the bottom of the Club with minimal damage but a lot of cleaning to be done. A few of our doors have swollen in the weather but these will be watched to see if they return to normal or not. I would like to thank Ray Cook and his team for attending to our roller doors getting them repaired within a few days so we could have access to our lifesaving equipment.

AOS: I would like to thank Council for their donation to NS which is recognition for NS relinquishing Club space during the AOS.

Club Hire: In September 2014 we used the Hall on a Friday morning to host the Raising of the Flags ceremony. I had raised this at a previous Liaison Meeting that NS had received an invoice for the rental of the hall. It was agreed that NS not pay this invoice and the invoice would be cancelled. I have since received a "Final Notice" invoice. Could it please be confirmed that this has been cancelled.

NS are hosting a Life Member and Distinguished Service luncheon (as held in 2013) on Saturday 27 June. We have been told that we will need to pay the "going rate" to hire the hall for this event. Could you please confirm if this is the case. Our Agreement stipulates 3 complimentary uses for Club activities.

Tracey Hare-Boyd
President, North Steyne SLSC
